

T10®

The T10 Single-Line Headset Telephone is a stand-alone headset system that includes the Plantronics convertible headset, and standard features such as redial, flash and mute. The T10 Headset Telephone features a headset rather than a traditional telephone handset, making it ideal for telephone-intensive SOHO applications. The T10 Headset Telephone connects to a standard telephone jack.

T10 Key Features

- **Telephone solution:** Complete single-line telephone with headset.
- **Increased comfort:** Reduce the neck, shoulder and upper back discomfort that is associated with traditional handset telephone use.
- **Convertible headset:** Headset can be configured for over-the-head stability or over-the-ear convenience.
- **Improved sound quality:** Adjustable volume and tone control allow for superior sound.
- **Easy installation:** Connects to existing telephone jacks.
- **Noise-canceling microphone** filters out background sounds for heightened speech clarity.
- **On-line indicator** and headset stand included.
- **Flash and redial.**
- **Ringer sound adjustment.**
- **Mute with indicator light.**
- **Warranty:** One year for unsurpassed durability.
